

Sunnyvale Alliance Soccer Club

Competitive Teams Uniform Policy

Updated January 5, 2016

All Sunnyvale Alliance Soccer Club (SASC) competitive teams are required to outfit their players in the SASC approved competitive team uniform as shown in this document.

Wearing of the SASC competitive team uniform is mandatory when an SASC competitive team is being photographed as an SASC team. This includes, but is not limited to, representing SASC in official matches, annual SASC Annual Picture Day, any team photos at USSF, USYS, CYSA, and US Club sanctioned tournaments, jamborees, and playing leagues.

SASC will use official **Adidas** apparel provided exclusively through our local vendor: Soccer Pro.

The SASC Competitive Team uniform set includes:

- **Adidas** Fortore 14 Jersey
 - Two jerseys – Red/White stripes is the primary jersey, White is the alternate jersey
- **Adidas** Tastigo 15 Shorts
 - One pair of Black shorts with White stripes on the sides
- **Adidas** Copa Socks
 - One pair of socks – Black with White stripes above the calf
 - **Additional Option** – Red with White stripes above the calf

Note: The club is offering a second color option for socks in addition to our standard Black color. Our Red sock option is to be used in case of uniform conflict for some games. It is not to replace our standard Black socks for regular use but can be purchased in addition to the standard kit if teams choose this option.

Extra jerseys, shorts, socks, or other SASC approved apparel is available for purchase at an additional cost.

This uniform set is available only through SASC and our approved vendor: Soccer Pro.

Other than the SASC patch on the front of the competitive team uniform jerseys, and the player number on the back of the competitive team jerseys, nothing else may be printed or sewn on an SASC competitive team jersey without prior approval from the SASC President and SASC Competitive Director. **No names of any kind are to appear on any of the jerseys.**

Any violations of the SASC Competitive Teams Uniform Policy will be reviewed on a case-by case basis by the SASC Board of Directors and appropriate actions will be taken.

SOCCER PRO
THE COMPLETE SOCCER SHOP

- 1) The uniforms will be available for purchase year around. Orders may be placed online through the Soccer Pro/**Adidas** website. Links will be provided to all SASC members.
- 2) All age group teams from 2008 through 1999 both boys and girls and newly formed teams in any age group must be fitted in the SASC Adidas kit. No mixing or uses of old Score uniforms are acceptable. No exceptions will be made.
- 3) All older teams with the birth year of 1998 and older are not required to participate in using the Adidas kit until they age out. They can optionally choose to adopt the new kit for use and purchase additional apparel.
