Board Member Reports

President's Report

Sandra Todd

The 'Big' Picture

- SASC is a youth soccer club
 - registered with CalNorth and USClub
- Cal North- Comprised of 9 Districts from Fresno to the Oregon border
 - District 2 - 18 soccer leagues San Mateo, Santa Clara, Santa Cruz, San Benito, & Monterey Counties.
 - FYSL- Foothill Youth Soccer League
 - SASC, and MVLA are the two clubs in this league,
- Foundation of SASC is under CalNorth
 - CalNorth is a 'bottom up' organization

Big Picture

SASC – An active leader in our local soccer community

Tibor – Leader in Referee Community

District 2 – President is on the board

SSJ Foundation – Working to develop a new major soccer complex in the Bay Area

US Youth Soccer is Changing

- Small Sided Games
 - SASC strongly supports the use of smaller sided games for player development
- Age change of teams to Birth Year (away from the Aug-Jul structure)
 - To better align youth soccer with national teams and international standards
- Implementation
 - All clubs in the District are working with Playing Leagues to make the same changes at the same time
- Message to SASC members has gone out.
 - Update on details of implementation when finalized

Paid Coaches

- Youth Sports is becoming more ‘professional’
 - Paid coaches bringing a higher standard of player development
- Clubs need to deal with the legal and HR requirements of employing Coaches
- IRS Rulings strongly indicate that Soccer Coaches are NOT independent Contractors in most cases.
- Teams paying coaches directly without appropriate HR is also a risk

Human Resources

- SASC implementing comprehensive HR practices to ensure our legal protection
 - Hired an outside company, HRIdeas, to assist
 - Has worked with other Soccer Clubs, understands our 'business'
 - Has much of the employee manuals already developed
 - SASC Member Traci Oberman, an HR specialist, is volunteering to help us through the transition
 - Implementing 'Mandated Reporter' Training for the safety of our players and our coaches as an example
 - Volunteer coaches will also be subject to much of the requirements eg Mandated Reporter training.

Sunnyvale Soccer Complex

- Capital Investment in SSC sprinklers in last 12 months
 - Very, very old equipment in the ground
 - Improved uniformity of water coverage
 - Still need to do a few more sprinkler lines
- Improvements in the management of Dallas Grass
 - That spongy, sticky grass we all hate!
- SSC is, in many ways, our Crown Jewel
 - Our CalNorth emphasis assists us in protecting and investing in the site.

Drought

- Changed watering practices
 - Necessary after SCUSD mandated a cutback and SSC barely survived (Spring 14)
 - Gomez Landscaping researched and experimented with a variety of new practices
 - Now using approx. **HALF** the water we used in Fall 14 enabled by the new sprinklers!
 - Added bonus of deeper rooted grass that is able to with stand more traffic

Here comes El Nino!

(anybody got a sandbag?)

Financial Aid

- Important, but Challenging, for SASC
- ~316 players applied for Financial Aid this Fall 15 season
 - 16% of our total player population
- Need to standardize our Financial Aid as we standardize our coach payment and team costs – they are related
- Some teams exist only because of our financial aid
- Presentations to the City to raise awareness of what we are doing in this area

Financial Aid

- True cost of Financial Aid for membership is small
 - Primary cost is a lack of income
- Cost for the 'rest' of the Financial Aid package can be high and hard to predict
 - Uniforms
 - Juniors payments or expense reimbursement
- Applying for tax credit benefit
 - Limited usefulness
- A priority for 2016
 - Uniformity, clarity, predictability

Vice President's Report

James Mayes

Treasurer's Report

Andrew Waterhouse

Financial Highlights - HR

- Many more teams paying into the club to pay the coaches to remain compliant with State and Federal regulations.
- Purchased Worker's Comp for growing amount of Coaches within club
 - Legal requirement
- We have 20 Coaches that are being paid through the Club. Of the 20, 7 are on Salary, as a test vs. time cards.

Financial Highlights

- Capital expenditures, SSC Sprinkler improvements, \$76K spent on sprinklers, \$4K on grass improvements
- A couple unbudgeted expenditures,
 - King's Academy Field Rental, Twin Creeks Field Rental for a total of \$25K
- Challenging to get reports needed to properly classify our revenue.
 - Interviewing other Online collection of Coaching Fees and Registration Fees companies, such as Paypal, Cloud501, Google, Demosphere and others.
 - Needs to be easy for our parents to register and pay

Financial Highlights

- Purchased new equipment for Rec, Goals, Nets, bags for goals, Continuing to purchase new equipment in Rec and SSC.
 - Ongoing investment in our programs
- Will be in the Black for the season but very close to breaking even with Capital expenditures.

Financial

- Comp Registration fees may need to go up for Spring 16 to cover HR and other increasing costs
 - Will bring close some of the disparity between Spring and Fall fees
 - Board will vote on in November/December

SASC Financials

SASC's complete financial reports are available to our membership upon request. If you would like to review, please reach out to our President or Treasurer.

Thank you.

Registrars Recreational

Jenny Chow

Recreational Registrar

- 1098 players registered total: 673 early bird; 339 regular registration, 86 after registration deadline of 7/31
- Issues placing late registrants. Consider late fee?
 - Those on wait list often don't respond promptly or at all; difficulty balancing wait list requests with coaches' requests to add specific players not on wait list
 - Often wait list players have specific requests for practice locations, times based on other commitments and placing them can lead to unbalanced teams
- Some photos and age verifications not transferred in Affinity from earlier seasons

Recreational Registrar

- Several coaches were not live scan approved at start of season. SASC Constitution does not mention whose duty it is to check Risk Management status of coaches; Constitution should be amended to address this function. Consider creating new position solely to address Risk Management as is done in other sports leagues.
- Coaches of pre-formed teams need to be reminded that they cannot send out rosters to parents before the official rosters go out from the league. This happened at least twice this season and caused problems when the league's roster was different from the coach's initial distribution.

Recreational Director's Report

Stephen Geddes

Recreational Program Volunteers

- ⚽ Huge Team Effort with many Volunteers
 - ⚽ Registrar: Jenny Chow
 - ⚽ Equipment Coordinator: Andy Wadsworth, Uniform Coordinator: Aliya Nisar
 - ⚽ Master Scheduler: Garry Epps
 - ⚽ Age Group Coordinators: Lars Haitz, Jon Cossey, Crystal Evey, Robert Clapp, David Rosen, Melissa Arias, Andy Ramans, Theo Blanco, Gerson Castro, Adam Dysart, Michael Corwin, Amir Moezpoor
 - ⚽ Referee Director: Tibor Polgar
 - ⚽ 130+ Registered Coaches & Assistant Coaches

Rec Registration Numbers

- ⚽ Participation Fall 2015: 1084 players
- ⚽ 758 local Sunnyvale residents (70%)
- ⚽ 104 teams
- ⚽ Older age groups in D2 play-through leagues: U14B (5 teams), U14G (1 team), U16B (2 teams)

Recreational Program

- ⚽ Coach Andrew providing outstanding mentoring/training to coaches, teams, and myself in my first season as Rec Director
- ⚽ Looking for new AGCs for a couple age groups (free registration (Comp or Rec) for one child for each division they coordinate)

Rec Reminders

SASC is dedicated to Fair Play, and the focus of our program is the development of players, coaches and referees.

*Emphasis on No Blow-out policy – getting better, but still common complaint (and downside of our “Play with Friends” policy);

*Emphasis on safety and common sense conduct by parents and coaches (Held first Parents Meeting in a long time)

Volunteer Coaches

*By the time registration closes we typically have 90% of coaches in place, finding the last 10% is a perennial struggle

***Coaches are the face of our club, so it is critically important that we get this right every season!**

Uniforms

*Had a few uniform snafus with several uniforms arriving late from distributor.

*Need to fine-tune uniform sizes and colors for age groups

***SASC member discounts (10% shoes and 20% apparel) at Soccer Pro, 1338 Saratoga Ave, San Jose**

****Changes coming for Spring 2016 Season: 10 game season!**

Registrar - Competitive

Laurence Berbessou

Competitive Registration 2015 Spring

- 792 Competitive Players registered for the Spring
702 players in Spring 2014
- 55 Comp Teams
 - 43 teams played in CCSL, 2 played both CCSL and NorCal and 12 played exclusively NorCal
- 30 teams (U 12 & Under) 25 teams (U13 & Older)

Competitive Registration 2015 Fall

- 825 Competitive Players registered for the Fall
 - 748 players in Fall 2014
- 58 Comp Teams
 - 43 teams play in CCSL, 15 play NorCal - 17 teams enrolled in NorCal State Cup
- 31 teams (U 12 & Under) 27 teams (U13 & Older)

Competitive Registration Challenges

- Picture collection still very challenging:
 - 80% of the families do it at registration time, but going after the 20% missing is extremely time consuming.
- Spring: different links to follow depending if you were registering returning players from the Fall or a new players. Looking for a less confusing solution
- Fall: club registration easier as a new soccer season start for every player.

Competitive Registration Challenges

- Collection of coaching fees for the Junior Program and a few older teams was a huge problem
- Tied into the players registration but added later on (mid-August) - many players were already registered.
 - Families could not log back in to pay, and were charged twice for the registration fees if choosing the payment plans we are offering.
- Some families paid although they were not supposed to pay online.

Competitive Director

Dan Ornelas

Competitive Program

- We have continued to have growth in our Program (U8 – U19)
 - 58 total teams with 18 girls & 40 boys
 - Additional training with our Academy & Goalkeeper programs during the playing seasons.
 - Club wide tryouts in June and December
- Added new coaches to our professional staff as we continue to transition the club towards a club employed professional coaching staff

Competitive Program

- We have invested in more training equipment for our practice facilities
- We have completed our first year with in our new Adidas uniforms. Over 90% of our teams are in our new kits. Our relationship with Soccer Pro to provide our uniforms will continue through the 2017 seasons

Competitive Program

- CCSL remains our primary league for competition
 - NorCal is used by some teams as their main league and by others as a second league or State Cup
- Adopting the new US Soccer mandates for team formation by calendar year birth age
- Promote our club branding with more advertisement and affiliations with local businesses

Competitive Program

Next 5 Years

- Continue to focus on player development and grow our Juniors program
- Promote and offer more year around playing opportunities for all players in our club
- Support the highest level of play for our top teams
- Help our top players to the ODP or PDP process

Competitive Program Next 5 Years

- Educate and have a strong coaching program through the entire club
- Help promote more club events
 - Tournaments & other fundraising opportunities
 - Winter and Summer programs
- Look at creating more programs to introduce our recreation players to our comp programs

DOC Reports

Director of Player Development

Director of Player Development

- Vision for the Competitive Program
 - Our goal is to develop a club culture and method of training that is consistent through the age groups
 - We have boys teams from our 07 through 04, 02, and 01 training collectively
 - In helping with that vision, the club has brought on new coaches
 - Ashkon Afsari, Andrew Bell, Jeff Dean
 - Guido Graziano, Yasser Khalil
 - Pedro Madrid, Timur Zukic

Director of Player Development

- In this system, coaches can elaborate to help players get better
- Players have to opportunity to watch and play with other players in the different age groups allowing for better development
- There is more familiarity because of the uniform system of play that guest play is easier for all players
- And players enjoy and feel being part of a club setting
- Our continued vision is for further expansion throughout the club for all players

Director of Player Development

As a club, one of our goals is to provide feedback on a player's development through player evaluations in the following areas

- Technical
- Tactical
- Physical
- Mental

This way the parents are getting feedback after each season on their player's development

Field Directors' Report

Donna Hughes / Haruko Matsuda

SASC Fields Overview

- Sunnyvale Soccer Complex
 - Leasing from Santa Clara School District
 - SASC maintains the field through Fall & Spring Comp registration fees
 - SASC determines when to close due to weather
 - Ongoing sprinkler work for even water coverage, and reduced water usage

SASC Fields Overview

Fundraising Director

James Mayes

Constitutional Amendments

One constitutional amendment to
add Director(s) of Coaching
presentations to the AGM agenda

ARTICLE IV – Clause B4

Board Member Reports

- Add “n. Director(s) of Coaching”
- Reason: the Director(s) of Coaching are non-voting members of our Board of Directors. They attend the Board Meetings and they shape the coaching, curriculum, and player development of our club, both on the Rec and Comp side. Their accomplishments and vision need to be heard by the membership.

New Business

None on Agenda

Election of New Board Members

Slate of Candidates

- Half the SASC Board is elected each year to serve a two-year term
- Recruitment of new candidates has resulted in the following slate of potential Board members and any nominations from the floor will be added to the ballot

Election of Board Members

- Vice-President
 - James Mayes
- Secretary
 - Metin Gokcen
- Field Directors
 - Haruko Matsuda & Kari ElAmir (to share position)
- Competitive Director
 - Daniel Ornelas
- Recreational Registrar
 - Still recruiting
- Volunteer Director
 - Donna Hughes
 - Luann Wang
- Fundraising Director
 - Jeff Dean

Vice President

James Mayes (Incumbent)

I currently hold or have held numerous leadership positions in several soccer organizations. I am currently president of the West Coast Intercollegiate Soccer Officials Association as well as the CNRA South Region Regional Referee Administrator. I've been playing, coaching and refereeing for over 20 years. I have been with SASC with the Rec and Comp programs for approximately 8 years as a parent and a coach. My kids are currently involved in the U11 competitive program and the U14 competitive program.

Recently I was approved by the board of directors to fill the open Vice President role. I am committed to continuing in this role. I've also held the fund raising roles and PCA coordinator roles within the club. I also co-manage the U14 Fury 01 age group.

Secretary

Metin Gokcen (Incumbent)

Metin has been active with SASC for the last 12 seasons - coaching and managing in the Rec and Comp programs. He has been involved in two new age group start-up cycles in Comp - the current Bulls 02B teams and Elite 03B teams. Metin is currently the Age Group Manager for the U12 boys Elite teams, and an assistant coach with Elite 03 Boys Red. Through his involvement in the younger age groups, Metin understands what works well and doesn't work well in the age group model.

Metin's involvement with SASC has gotten deeper in the last three years when he joined the SASC Board mid-term. He has been acting in the Secretary capacity since February 2013. In the professional world, Metin has held professional services management roles in a variety of business applications companies.

Co -Field Directors Practice Scheduling

Haruko Matsuda - (Incumbant)

Haruko worked at Oracle as a software engineer in the database high availability space. She left her career and is now active in the Sunnyvale community as the Cherry Chase Neighborhood Assoc. Chair and received Neighbor of the Year Award in 2013. She was on the board for Sakura Club (a Japanese mom's group) as activity coordinator for 4 years. She served as the Field Scheduler for Sunnyvale Southern Little League this past spring.

Her enjoyment in community organizing, and her interest in supporting her soccer crazy son has led her to take on the manager role with the SASC Bulls 02 age

group in August 2013. As a manager, she struggled with getting sufficient access to practice fields over the Fall season and into the winter months for Futsal training. This led her to accept the position on the board as a Field Director focusing on practice field scheduling. She oversees 23 teams with 350 players, and mentors and guide 15 managers involved. Her background in software engineering has helped in her various roles.

She derives immense joy in creating an environment where players and coaches can come together to share their love of soccer. She would like to continue to make a positive impact on Sunnyvale's youth soccer players.

Co-Field Directors

Kari ElAmir – Game Scheduling

For the past 3.5 years Kari ElAmir has been the age group manager for the U11 intensity boys teams. Prior to that, she was involved with the inception of San Jose New Stars that was successful for a year. Kari managed teams, coordinated the league schedule for both recreation and competitive teams. She helped with obtaining field permits around San Jose. She spearheaded two fundraising events and organized a “night out with the SJ Earthquakes”. She also has organized scheduling for the Rocket Ship Academy’s soccer season. Kari’s professional life in product management entails her to be organized, diligent in meeting deadlines, utilizing problem solving skills daily and has been successfully doing this for 20+ years.

Competitive Director

Dan S. Ornelas (Incumbent)

I have served as the SASC Competitive Director for the last two years. I have implemented the SASC Junior's Club Program and brought uniformity across the younger age groups.

I am Director of Coaching at Field of Dreams Soccer. In addition, I have held positions as an Age Group Trainer at Sunnyvale Alliance Soccer Club and as a Head Coach at the Almaden Football Club. I have been with SASC with the Rec and Comp programs for almost 10 years. I have coached from U8 through High

School. My passion is working with younger age groups in developing a strong foundation of technical skill while making it challenging and fun.

Volunteer Director Candidate #1

Donna Hughes

UK Registered Nurse. First Aid and CPR trained.

Volunteered on PTA boards for many years.

Volunteered at the Bill Wilson Center

Volunteered in Girl Scouts for many years, Leader of a large troop.

Large event director trained.

Volunteered at management level for Teen Dance Company (a not for Profit company)

Director of a mother daughter two night camping trip. This includes a variety of activities during the weekend.

Worked alongside the SASC Tournament Director 2012

Field director for games for the past two seasons.

Been involved in soccer for over 20 years, managing teams.

I have worked alongside children for over 25 years. I believe I have a great understanding of children. I love nothing more than being a child advocate. My goal is to bring out the best in them, providing them with a safe environment to learn and grow.

My goal for Sunnyvale is to continue the growth of the club, providing our soccer community with the very best learning opportunities possible. By providing a soccer environment for players of all abilities to reach their own potential. To offer the best we can for our youth soccer players in Sunnyvale and it's surrounding communities. With my experience in youth organizations I feel I can add great value to Sunnyvale Alliance.

Fundraising Director

Jeff Dean

Professionally, Jeff specializes in insurance, investments and retirement and works for MassMutual Silicon Valley.

He also works for StartOrganic helping landscape and building organic vegetable gardens at houses all around the South Bay Area.

Jeff grew up playing soccer in Almaden and for Leland High School. He played soccer in college at Humboldt State University where he majored in Marine Biology with a minor in Business Administration

Jeff Dean currently coaches in the U13/U14 boys' teams at SASC. He enjoys working alongside a cohesive team of coaches. They all work together to develop the players to be skillful with the ball and play an attractive style of soccer, rather than only focus on winning.

Good of the Game

SASC is a growing, well respected club. We offer soccer at multiple levels from Recreational to Premier.

We have a fantastic relationship with the City, the School Boards and our fellow soccer clubs. We regularly contribute to the good of the game in our city and at the state wide level.

We will continue to succeed if we keep our focus on our community and our game!
