# Referee Report

Hello AGM Attendees,

Apologies for not being here in person. I am attending (again this year) my daughter's League Championship matches out in North Dakota. If they win both games, they get to compete in the NCAA D1 College Cup. All three of my kids are x-Sunnyvale Alliance players, and two of them have continued to play at their universities.

The Good:

- Lots of promising youth referees in the pipeline.
- Fields is trying a new scheduling method that has reduced my weekly workload for game updates to almost nothing.

The Bad:

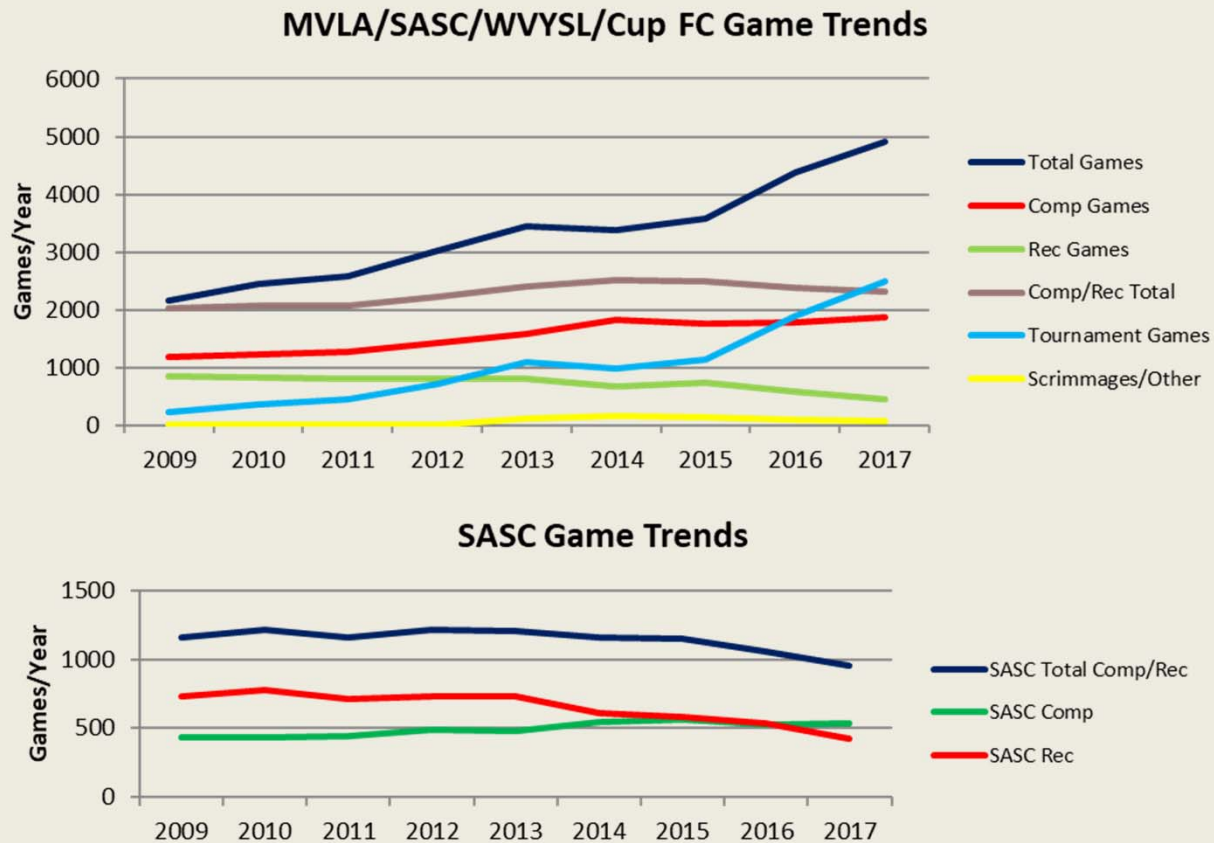

- Not enough referees, but League Rec/Comp has been holding steady. Why then?
- Referee abuse and assault seems to be on the rise. At least one referee as quit.

The following slides are a summary of the year in terms of games, refs and training.

# Referee Report

- SASC / MVLA / WVYSL / Cupertino FC share referee pool
  - 964 Referees, 428 Youth ( $\leq 18$ )
    - 197 youth refs are Comp ranked
  - 602 (561 in 2016) active referees, 415 (403 in 2015) do SASC games
  - Total Games 4912, SASC had 1537 (down from 1581)
  - Unfilled slots for SASC vs. 4 club total
    - 2016 SASC had 62 slots (13 Comp), total opens 217
    - As of 10/31/17, SASC had 16 slots (7 Comp ), total opens 40 slots (but this coming weekend is going to be ugly!)
- We are part of a South Bay “SuperGroup” of 14 assignment groups.
  - Total referee pool is 2351
  - Two new AYSO/Comp groups added in 2017

# Referee Report - Games

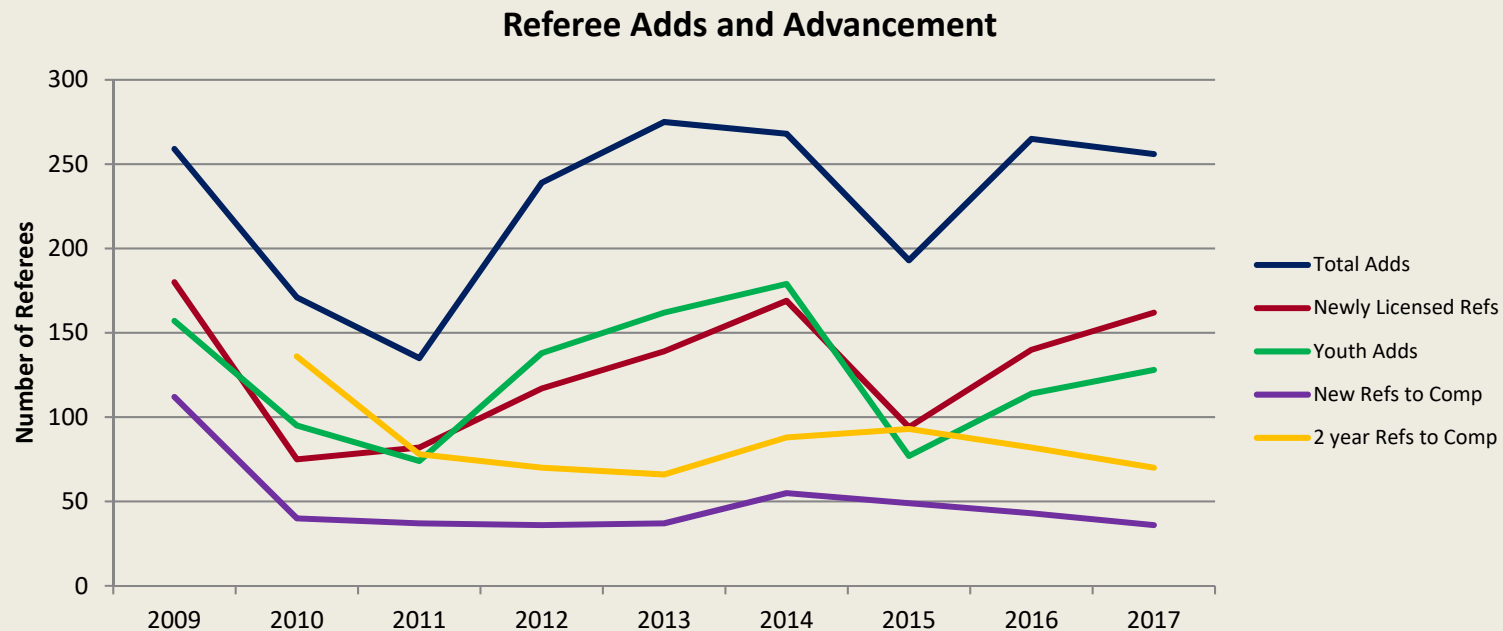

- Rec/Comp game totals decreasing. SASC totals 102 games less than 2016.
- Tournament games are driving the increase in totals.

# Referee Report – Our Referee Pool

- SJSRA held 6 classes, SASC had 2, MVLA had 1 class.
- Purge of inactive and out-of-license refs
- Active referee count increased due to large tournaments.

# Referee Report – Referee Dev.

- We gain over 200 referees a year, but lose about 150
- About half of the new referees are “new” and need lots of training
- SASC spends \$2,000 - \$3,000 per year on referee mentoring and training
- Advancement to Comp CR takes about 3 seasons; AR is usually 1-2 seasons

# Tournament Director's Report

**Robert Segovia**

# Tournament Report

- 2 tournaments held in 2017
- Foothill Classic (first time) May 27-28
- Medina was held on the weekend of Sept 23-24
- Largest tournament held to date by SASC
  - 2017 Medina – 249 teams
  - 2016 Medina - 213 teams
  - 2015 Medina -189 teams
  - 2014 Medina – 125 teams
- Profits help to offset our financial aid program, field up-keep, and coaching expenses.
