

Fall 2012 CCSL Player Send Off or Coach Dismissal

Officials;; If you need to report a player **send off (red card)** or **coach dismissal** that was given in any CCSL match [click here](#). Fill out the web based form, hit, submit and a **pdf** of the send off report will be emailed to you with additional instructions. Please do this within **24 HOURS** of the match. You should contact the referee assignor in the League that the send off was given and report the incident.

The second file is for the sent off player or team official.

Sent off, How do I get my pass back?

If you are a player or coach that received a **send off (red card)** or dismissed in a CCSL match, [click here](#) to see a listing of all send offs given in CCSL this season. The pass will be sent to your League President or send off coordinator and will be returned to the team when the suspension has been served. Please allow 48 hours for the send off to be posted.

The [click here](#) are links to the new features of the send off system. The updated web based send off form now is filed in a server that has a public site for players and team officials. This is the link for the send off form

<http://www.d2sra.org/forms/sendoff/>

and this is the link for players and team officials

This page allows visitors to search to find their send off.

Please post this information for referees on your assigning site. Place the link for the public listings for players and team officials on your Club or league web site.

The new features of the send off reporting should help referees, sent off players and team officials. It is very important that the send offs be processed in a timely manner and the passes get returned.
